Please notice that we pay  $\frac{1}{2}$  the shipping costs on all orders over \$25.00 from the Wholesale Section of the catalog. Railway express still has their commodity rate in effect on orders over 16 lbs., which brings the cost of shipping down below Parcel Post. You may take your choice of shipping methods - either Pool car in March, which is prepaid to Chicago or Trenton, N. J., or you may have Railway Express direct, and we will pay  $\frac{1}{2}$  the charges.

Smaller orders taken almost entirely from NEWER VARIETIES will be PREPAID by us to your door via Parcel Post in the early Spring. Please note the saving you make by ordering 10 bulbs of a size in the newer varieties.

We harvested one of the biggest and best crops from our 22 acres that we have ever produced. In fact the bulbs ran so large, we are offering JUMBO bulbs—price on these will be a little higher than No. 1 size, due mostly to the weight involved. (125 to 150 lbs. per 1000) See wholesale part of Catalog.
